

**MARTA MACHADO**  
PROJECT DIRECTOR  
ARCHITECT

Marta Machado was born on 4 May 1979 in Santa Maria da Feira, Aveiro.

She began her studies in Architecture at the Higher Artistic School of Porto (ESAP) in 1997, receiving her licentiate degree six years later.

During her training as an architect, she had the opportunity to participate in projects and develop public tenders, specifically for installations in the health sector. This experience became an important complement to her period of academic training.

Upon completion of her licentiate degree, she joined the team of architects at Arquiporto with Miguel Ribeiro de Sousa, Alexandre Teixeira da Silva and Nuno Rodrigues Pereira, as a trainee, and in 2005, she became a member of the team as an architect. She worked on and directed residential projects and some installations in the health, education and hotel sectors.

At the beginning of 2012, she joined the Modular System team, where she has been coordinating projects in the sector of residential tourism in Portugal. She currently performs the duties of project director.
