

JOSÉ BARBOSA
PROJECT PLANNER
ARCHITECT

José Barbosa was born on 21 October 1975, in Matosinhos. He received his degree in Architecture from the Higher Artistic School of Porto (ESAP) in 2006.

His professional career began in 2003, when he worked with two architectural offices in Porto, Impare Planeamento and Impare Produções. In 2008 he worked exclusively for Impare Planeamento in drawing up projects (preliminary studies, licensing and execution) and accompaniment of jobs.

In 2010 he became a member of the team at Modular System, working as an architect in the production department with the duties of project planner and works as foreman.
