

SARA FERNANDES SILVA
ARCHITECT

Sara Fernandes Silva was born on 3 May 1984, in Murtosa – Aveiro.

She began the Integrated Master's course in Architecture in 2004 at the Universidade Lusíada of Porto, concluding the course in 2009. She did her Master's in Earth Architecture specializing in Adobe construction.

In 2010 she began her professional career as a trainee at Impare Planeamento, working now and then with Arquiporto and Modular System.

In 2011 she became a member of the project team of Modular System, and for a certain period of time, she worked with the commercial department.

She participated in various training sessions specifically for Sustainable Architecture and specialised in Wood Structures and Renovation.
